## NOTICE

This is to inform all the concerned that the following event will take place in the premises of Raidighi College. You are requested to comply and oblige. The details of the event are given below:

Title: International Day for Women and Girls in Science

Date: 11.02.2022

Time: 11:00 AM

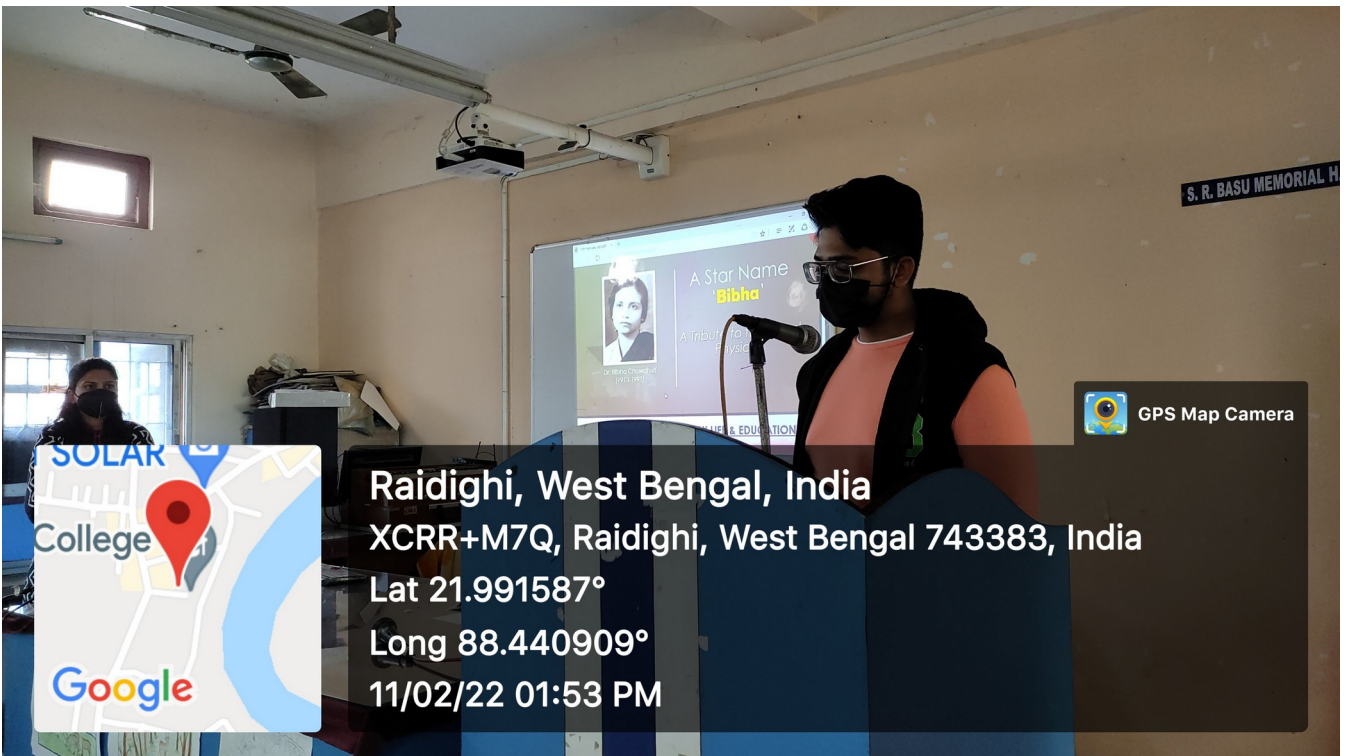

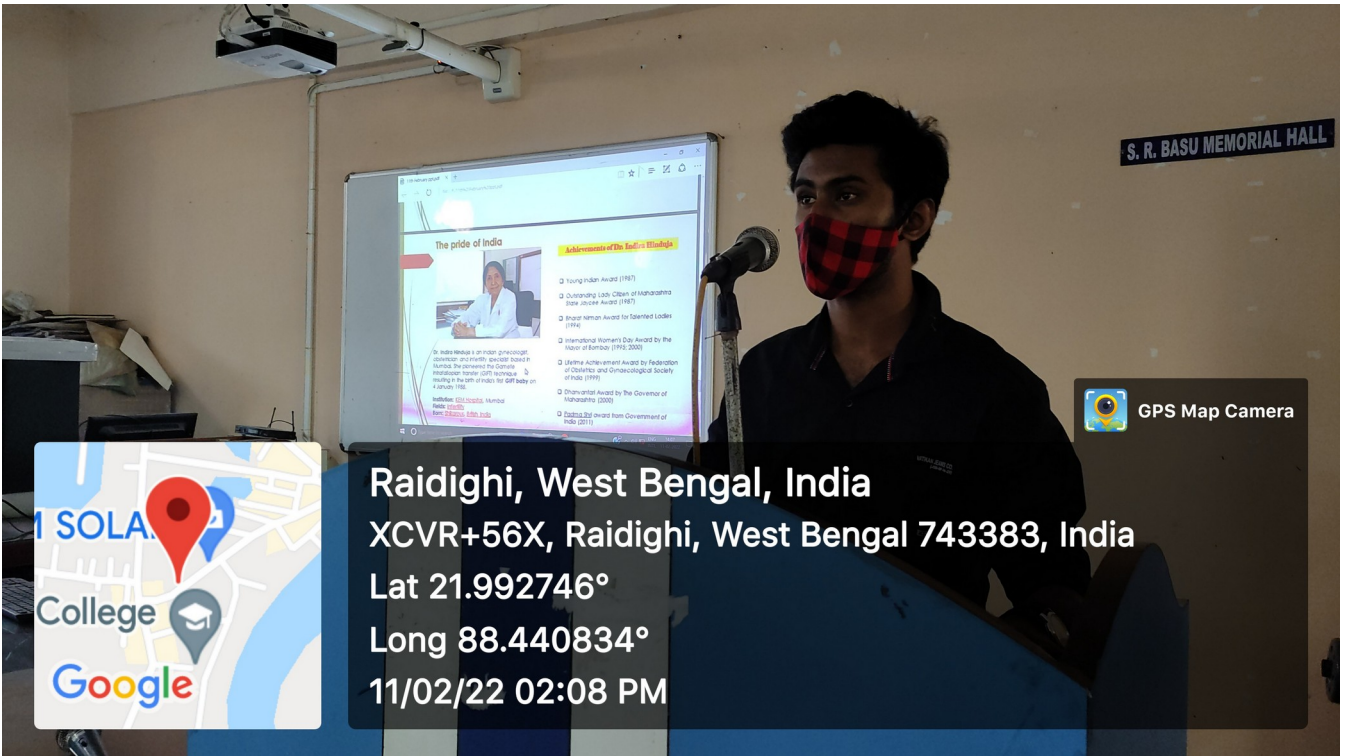

Venue: Conference Hall

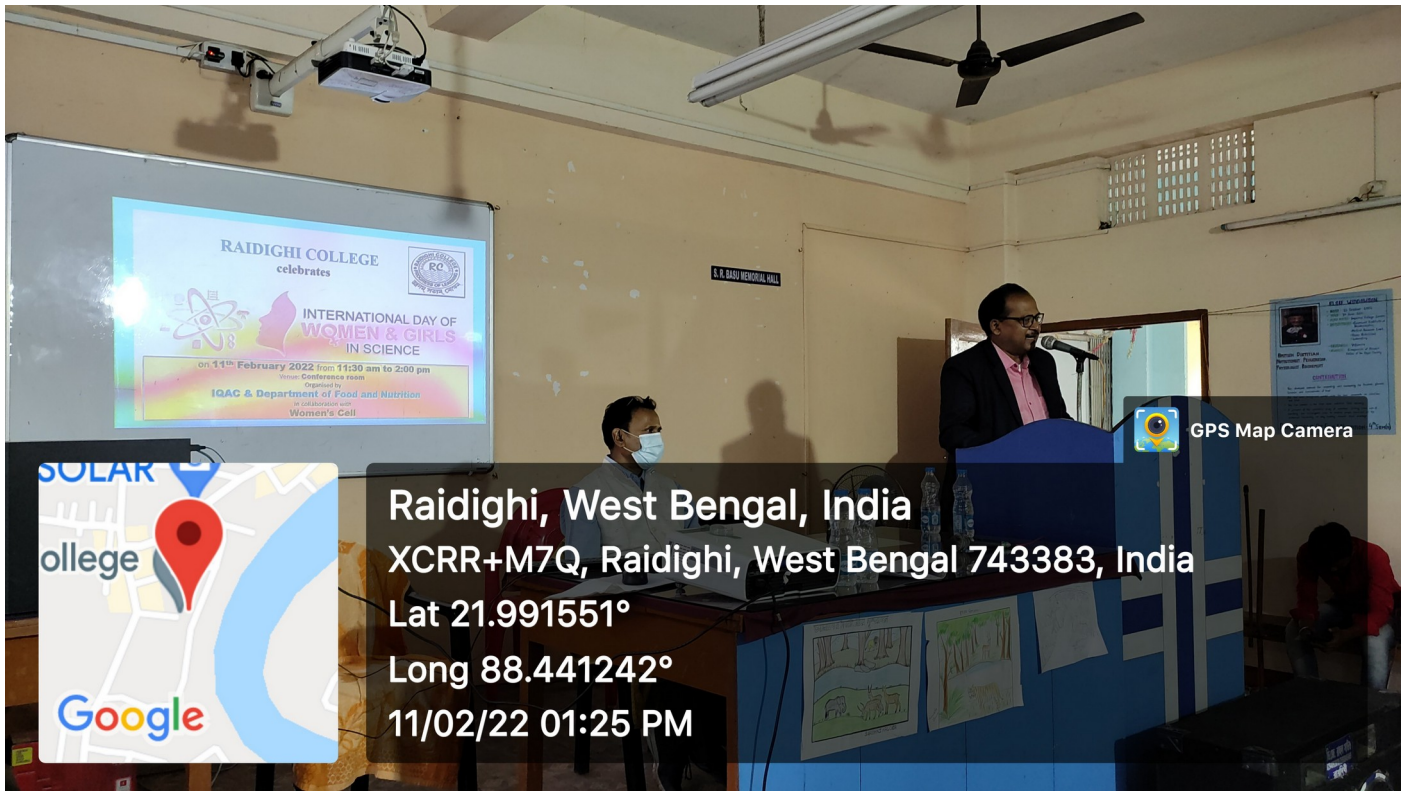

Type of Event: Extensional & Outreach Activity

  
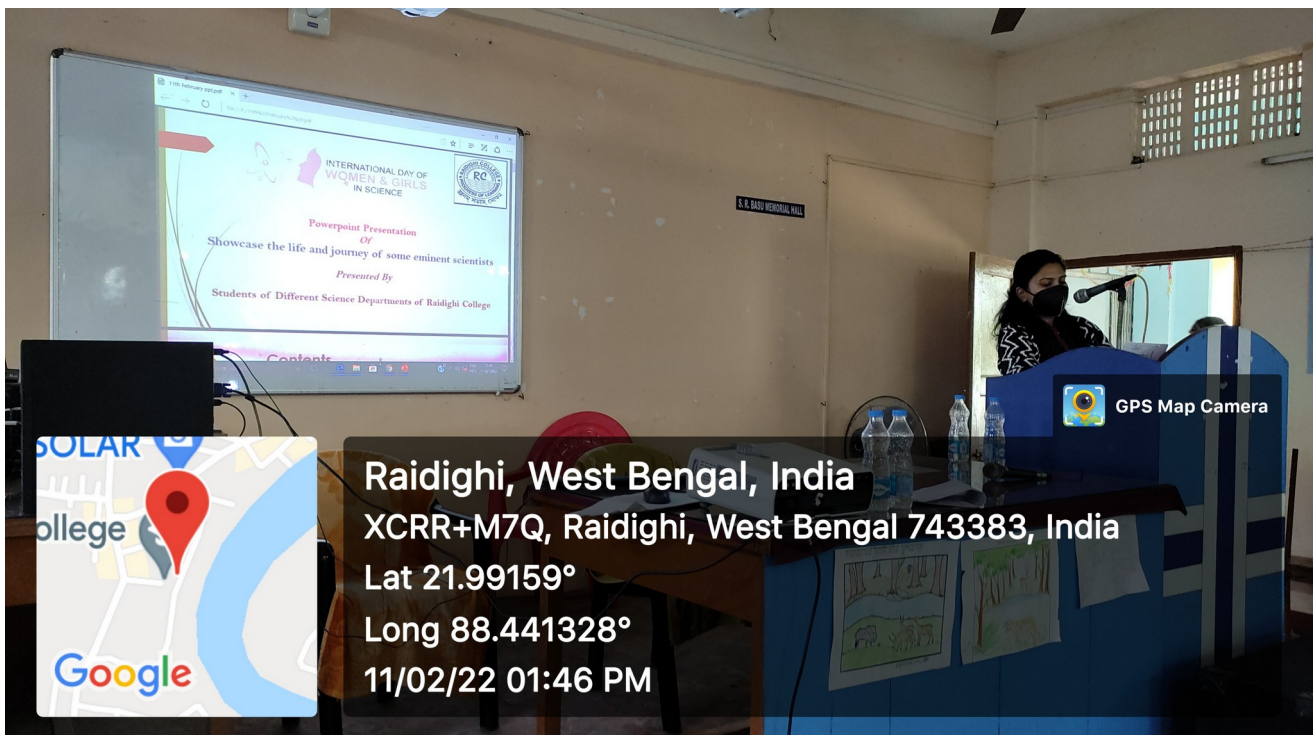

Dr. Sasabindu Jana  
Principal  
PRINCIPAL  
RAIDIGHI COLLEGE

## **Raidighi College Celebrates Women in Science with Inspiring Program**

Raidighi College commemorated the International Day of Women and Girls in Science on February 11th, 2022, with a day-long program designed to empower and inspire students.

The event commenced with thought-provoking lectures by esteemed guests, including the local MLA, the college principal, and IQAC coordinators. Their addresses shed light on the significant contributions of women in science throughout history, highlighting the crucial role they play in various scientific fields.

Following the opening remarks, the spotlight shifted to the student body. An engaging competition saw students present on the lives and achievements of remarkable women scientists from diverse scientific disciplines around the globe. This platform allowed students to showcase their research skills, celebrate the accomplishments of inspiring women, and gain valuable knowledge about different scientific areas.

The program culminated in a heartwarming ceremony where the winners of the presentation competition were recognized for their outstanding efforts. They received prizes and mementos, not only as a token of appreciation but also as a symbol of encouragement for their continued pursuit of scientific exploration.

Through this well-organized event, Raidighi College not only celebrated the achievements of women in science but also fostered a spirit of scientific curiosity and exploration among its students. The day served as a reminder of the immense potential women hold in shaping the future of science and inspiring future generations.

## **Raidighi College Microbiology Students Visit National Lab**

On June 10th, 2023, eleven Microbiology students from Raidighi College, accompanied by Dr. Shakuntala Ghorai, had the opportunity to visit the National Institute of Biomedical Genomic Laboratory in Kalyani. This visit provided valuable insight into the practical application of their theoretical knowledge in a sophisticated laboratory setting.

The students witnessed firsthand how cutting-edge facilities are utilized in various fields within the realm of biomedical genomics. This exposure served as a valuable learning experience, bridging the gap between theoretical knowledge and real-world practices.
