Raidighi College Celebrates International Women's Day

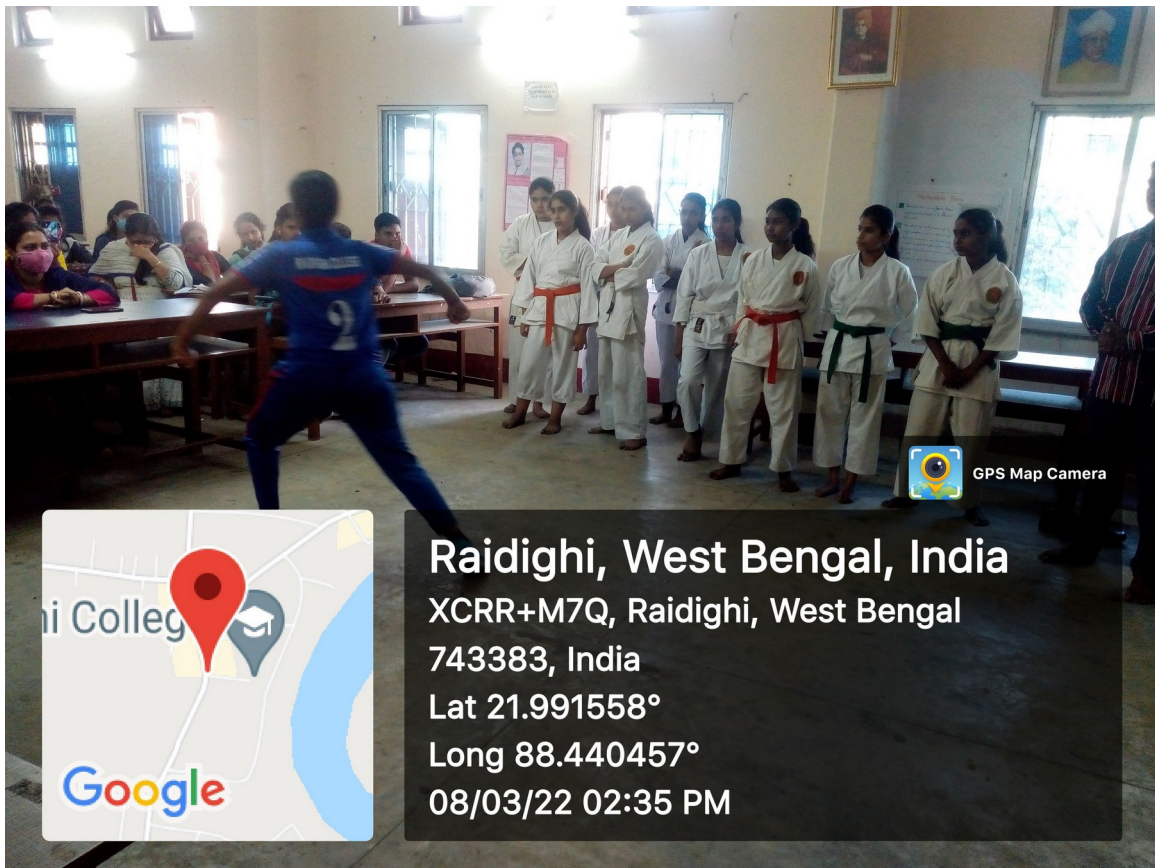

Raidighi College commemorated International Women's Day on March 8th, 2022, with a series of events focused on empowering women and fostering self-defense awareness. The day commenced with a rally, where 24 female students marched through the college's surrounding villages, raising awareness about women's rights and issues. This was followed by an inaugural speech by the Principal, welcoming a team of delegates who presented valuable insights on coping with sudden challenges, including self-defense techniques.

A highlight of the event was a demonstration by professional Karate practitioners, showcasing practical methods for women to deal with and defend themselves against sudden attacks. The event garnered significant participation, with nearly 72 teachers, non-teaching staff, and students actively engaging in the activities and discussions.

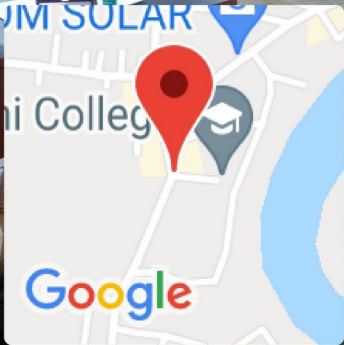

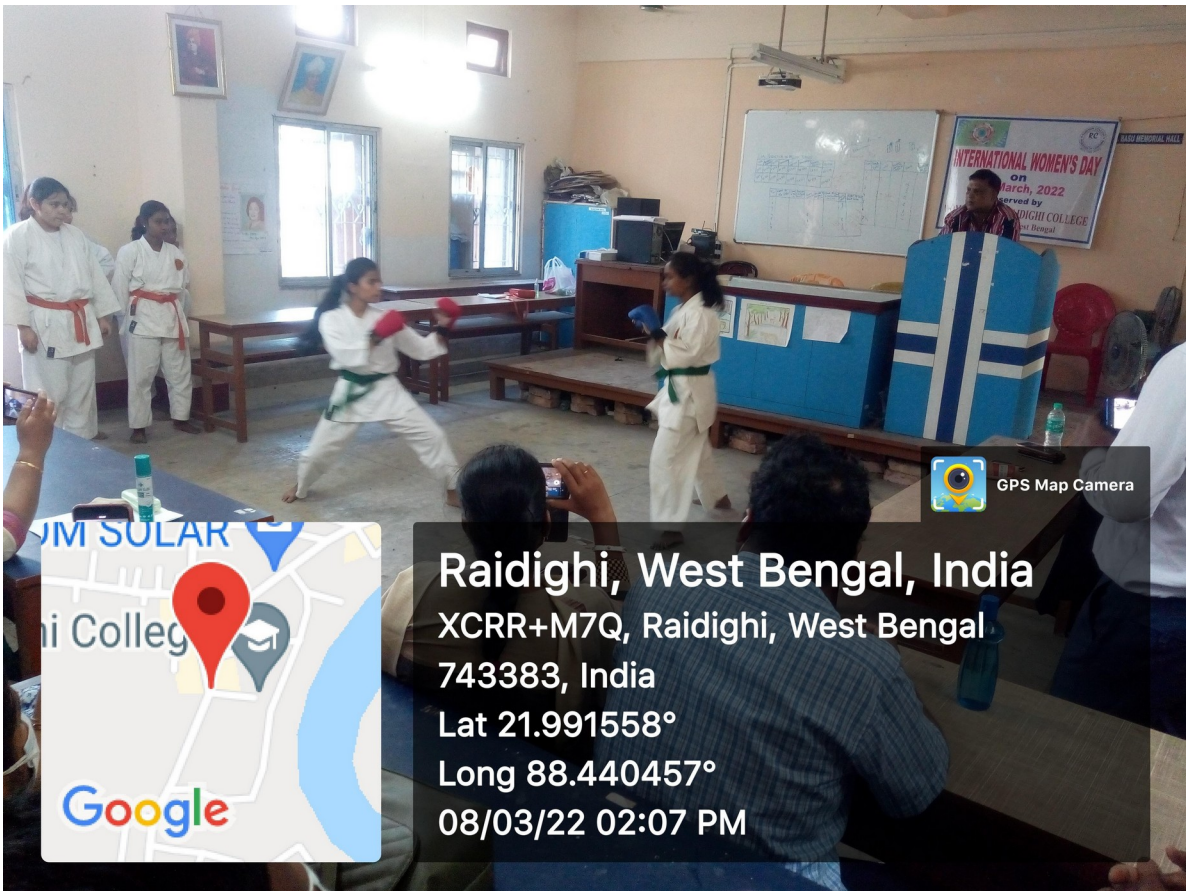

Overall, the International Women's Day celebration at Raidighi College served as a platform to empower women, promote gender equality, and equip them with skills to navigate challenging situations.
