Raidighi College Microbiology Students Visit National Lab

On June 10th, 2023, eleven Microbiology students from Raidighi College, accompanied by Dr. Shakuntala Ghorai, had the opportunity to visit the National Institute of Biomedical Genomic Laboratory in Kalyani. This visit provided valuable insight into the practical application of their theoretical knowledge in a sophisticated laboratory setting.

The students witnessed firsthand how cutting-edge facilities are utilized in various fields within the realm of biomedical genomics. This exposure served as a valuable learning experience, bridging the gap between theoretical knowledge and real-world practices.
