

Report on One Day Orientation Program on Advanced Level Training on Self-Assessment and Interpersonal Skills

Date: September 12, 2024

Venue: Raidighi College

Organized by: Raidighi College in collaboration with Right Brains Technology

Overview:

Raidighi College successfully conducted a One Day Orientation Program on Advanced Level Training on Self-Assessment and Interpersonal Skills on September 12, 2024. The event aimed to enhance students' self-evaluation and interpersonal capabilities, providing valuable insights for their personal and professional growth.

Key Highlights:

- **Guest of Honor:** Mr. Rajib Mukherjee, Founder of Right Brains Technology (MoU Partner), spent the entire day at the college, engaging with students and faculty.
- **Opening Address:** Principal Dr. Sasabindu Jana delivered an inspiring speech, emphasizing the significance of self-assessment and interpersonal skills in academic and career development.
- **Expert Contributions:**
 - **Dr. Sisir Chatterjee (IQAC Coordinator)** shared valuable insights into quality assessment and its role in education.
 - **Dr. Arunima Biswas (NAAC Convener)** highlighted the importance of self-assessment in enhancing institutional standards.
- **Interactive Session:**
 - Mr. Rajib Mukherjee delivered a thought-provoking talk, captivating the audience with his knowledge and experiences.
 - He provided practical approaches to self-assessment and interpersonal skill development.
- **One-on-One Engagement:**
 - Mr. Mukherjee devoted time to individual interactions, addressing specific concerns and providing tailored advice for personal improvement.

Conclusion:

The program was highly successful, equipping participants with essential self-assessment techniques and interpersonal skills. The college extends its gratitude to Mr. Rajib Mukherjee and all speakers for their valuable contributions, making this initiative a remarkable and impactful experience for the attendees.
