Collaborative Training Empowers College Staff

Raidighi College joined forces with five other institutions - Bijoy Krishna Girls' College, Maheshtala College, Muralidhar Girls' College, P. N. Das College, and New Alipore College - to conduct a six-day Administrative Training Program and Capacity Building Workshop. This initiative aimed to equip administrative staff with the necessary skills and knowledge to excel in their roles.

The program spanned across six days, with each day hosted by a different college and focusing on a specific theme:

- **April 29th (Bijoy Krishna Girls' College):** Tally
- **May 6th (Maheshtala College):** HRMS (Human Resource Management System)
- **May 13th (Muralidhar Girls' College):** Service Book and E-Pension
- **May 20th (P. N. Das College):** Record Keeping of Stock & Assets
- **May 26th (New Alipore College):** Interface with Students
- **May 27th (Raidighi College):** E-Tendering

This collaborative approach fostered knowledge sharing and ensured staff from all participating colleges benefitted from diverse expertise in various administrative domains. The program equipped them with the necessary skills to navigate the complexities of their roles effectively, contributing to the overall efficiency and success of their respective institutions.
