

Career Guidance Cell

The college has a career guidance and counselling cell to provide support and assistance to the student community and to give them proper guidance in their pursuit of higher studies. Recently College has taken a giant initiative in association with MUKTI, a Non-Governmental Organization in order to facilitate this Career Guidance. The cell conducted quite a few programmes of which the most important were “Introduction to Yoga”, lecture cum demonstration class (a follow up programme was also conducted for the interested participants); and a talk on “How to face interviews and the preparation of resume” for final year students. In addition to this, personal counselling is also arranged for the needy students as directed by the Heads of the departments.

Objectives of the Cell

- >> To create awareness among the students for their future profession.
- >> To help the teacher trainees in identifying and developing their abilities and interests.
- >> To provide guidance to the students on various options available in the courses of their study.
- >> To provide information to the students on the scope and relevance of any area irrespective of their field of interest.
- >> To help the students in the development of their self-identity, use of appropriate social skills for interacting with others.
- >> To provide guidance to develop positive attitude and behaviour in order to meet challenges of life to make it healthier.

The Cell consists of members namely Prof. Sanat Kumar Purkait, Dr. Manabkanti Baidya, Prof. Bidyut Saha, Dr. Sisir Chatterjee, and Dr. Debasree Saha, headed by Prof. Uttam Ray Mandal. For further information related to Career Guidance Cell, please contact to this number: 9735310008.
