

## **Report on Faculty Exchange Programme: Department of Botany**

**Date: 6th March 2024**

**Venue: Department of Botany, Raidighi College**

As part of the Faculty Exchange Programme between Raidighi College and Bangabasi College, a special academic session was held on March 6, 2024, at the Department of Botany, Raidighi College. The program was conducted by **Dr. Argha Sarkar**, Assistant Professor, Department of Botany, Bangabasi College, who shared his expertise with the students and faculty members of Raidighi College.

### **Highlights of the Session**

Dr. Sarkar delivered a comprehensive lecture covering various aspects of plant sciences, with a special focus on advanced topics relevant to the undergraduate curriculum. He discussed recent developments in botanical research, providing insights into ecological conservation, plant physiology, and biotechnological applications.

The session was highly interactive, encouraging students to engage actively with the subject matter. Dr. Sarkar also presented case studies and research examples that bridged theoretical knowledge with practical applications.

### **Objectives and Outcomes**

The primary objectives of the Faculty Exchange Programme were:

1. To provide students with exposure to diverse teaching methodologies and specialized knowledge.
2. To foster academic collaboration and knowledge sharing between the two institutions.

The session achieved its objectives, as students expressed their enthusiasm and appreciation for the opportunity to learn from a faculty member of another institution. Faculty members of the Botany Department at Raidighi College also benefited from the exchange of ideas and academic discussions with Dr. Sarkar.

### **Conclusion**

The program concluded with a vote of thanks extended to Dr. Sarkar for his valuable contribution and to the organizers for facilitating the event. The Faculty Exchange Programme continues to strengthen academic ties between Raidighi College and Bangabasi College, providing enriched learning experiences for students and fostering professional growth among faculty members.
