

Report on National Science Day Celebration at Raidighi College

On the occasion of National Science Day, celebrated on February 28, 2024, all the Science Departments and the IQAC of Raidighi College, in collaboration with the West Bengal Biodiversity Board, organized a one-day state-level seminar at AJC Bhawan, Raidighi College. The event aimed to promote scientific awareness and foster a deeper understanding of biodiversity and environmental issues among students and faculty.

The program was inaugurated with a formal session chaired by the Principal, Dr. Sasabindu Jana. The session featured key speakers, including Dr. Prabir Ranjan Sur, a renowned resource person, Mr. Amitava Roy, and Mr. Utpal Mondal, District Co-Ordinator of the West Bengal Biodiversity Board, who shared their valuable insights on the significance of science in daily life and the critical importance of preserving biodiversity.

The seminar was divided into three main sessions:

- 1. Inaugural Session:** This session set the tone for the day, with addresses from distinguished guests and a discussion on the theme of National Science Day.
- 2. Technical Session I:** Expert speakers from various scientific fields delivered lectures on contemporary scientific issues, emphasizing research and innovations in biodiversity conservation.
- 3. Technical Session II:** This session included a scientific model-making competition and a poster presentation. Students from Raidighi College, as well as from local schools, participated actively. The models and posters showcased innovative ideas and projects, highlighting scientific concepts and biodiversity awareness.

The seminar concluded with an award ceremony where the best three models and posters were recognized. The Principal, Dr. Sasabindu Jana, presented the awards to the winners, encouraging their efforts in promoting scientific inquiry and creativity.

The event was attended by students and faculty members from various schools, along with the teaching and non-teaching staff of Raidighi College. The celebration of National Science Day successfully fostered an environment of learning, collaboration, and inspiration among all attendees, contributing significantly to the scientific community at the college.

One Day State Level Seminar 2024
Raidighi College

Organised by
Departments of Botany, Chemistry, Food & Nutrition, Mathematics, Microbiology, Physics, Zoology, Geography & IQAC, Raidighi College
