Report on Observance of National Voters' Day 2024

The Department of Political Science and the Electoral Literacy Club, with support from the Internal Quality Assurance Cell (IQAC) of Raidighi College, organized a program to observe National Voters' Day on January 25, 2024. The event aimed to promote awareness about the significance of voting and encourage active participation in the democratic process.

The program commenced with an introductory address highlighting the history and importance of National Voters' Day, which commemorates the foundation of the Election Commission of India. Faculty members from the Department of Political Science emphasized the pivotal role of informed and responsible voting in strengthening democracy.

The event included interactive sessions, presentations, and a pledge-taking ceremony where students and participants reaffirmed their commitment to exercising their voting rights responsibly. Additionally, a quiz competition on electoral processes and democracy was conducted to engage students and test their knowledge about the electoral system in India.

The initiative provided a platform to educate first-time voters about the registration process and the importance of their participation in elections. Information booths were set up to guide students and community members on how to enroll in the electoral rolls and update their voter details.

The event concluded with a vote of thanks, acknowledging the efforts of the organizers, participants, and supporters in making the observance a success. The program successfully instilled a sense of civic responsibility among the attendees and underscored the significance of active citizenship in a democracy.

The collaborative efforts of the Political Science Department, Electoral Literacy Club, and IQAC were instrumental in making the National Voters' Day celebration a meaningful and impactful event.
