Event Summary:

On May 8, 2025, World Thalassemia Day was observed at Raidighi Rural Hospital in collaboration with Amra Rakta Yoddha Group Raidighi. The event aimed to raise awareness about thalassemia, a genetic blood disorder that affects millions worldwide.

Key Activities:

- Awareness Campaign: The event featured an awareness campaign, educating attendees about thalassemia, its symptoms, and treatment options.
- Blood Donation Drive: A blood donation drive was organized, encouraging attendees to donate blood and support thalassemia patients who require regular blood transfusions.
- Patient Support : The event provided an opportunity for patients and their families to connect with healthcare professionals and receive support.

Outcome:

The event was successful in raising awareness about thalassemia and promoting community engagement. Attendees showed enthusiasm and commitment to supporting thalassemia patients.

Acknowledgments:

We would like to thank Amra Rakta Yoddha Group Raidighi and Raidighi Rural Hospital for their collaboration and support in organizing this event.
